APRIL 2024: CONCLAVE

OAX

Over the weekend of 4/19-4/21, Occoneechee lodge 104 had a blast at the E8 Conclave! There were many events that arrowmen throughout the lodges enjoyed, one of which being OAX, which our very own Camp Durant Ice Company participated in! During OAX, there were vendors from across the section who had set up booths for people to enjoy throughout Saturday morning and afternoon!

AIA: Powwow/ICE

There were also many arrowmen from Lodge 104 that participated in AIA at Conclave, and some even won awards! For the Powwow, Jessica Fleming, Eliana Almario, Max Philips, Paul Dugdell, Samuel Harrelson, Liam Vigeant, and Josh Clarke all placed and earned an AIA award! As for the ICE awards, our Eluwak Brotherhood team, Eluwak Pre Ordeal team, and our Pre-Vigil team earned Honor! Congratulations to all that participated!

APRIL 2024: CONCLAVE

Quest

On Saturday afternoon, arrowmen from across the Lodges went head to head in battles of the Quest for the Golden Arrow! It was a fierce competition and Lodge 104 sure put up a fight. While some of our arrowmen were competing, many were cheering them on and building spirit with some Occoneechee Lodge chants!

Patch Trading

As always, patch trading at Conclave was a big hit! So many arrowmen had set up their tables and traded patches with others! While this is an incredibly fun activity for many, it also serves as a way for arrowmen to meet new people from different Lodges and create new connections!
