JULY 2024

Happy summer Occoneechee Lodge! I hope everyone has had a great break so far. Recently, the 2024 summer camp season at Durant came to a close. Throughout the camp season, there were many activities hosted by Lodge 104 and the members of camp staff who are in the OA. So let's catch up and see what's been going on during this summer break!

Throughout the summer, there were a total of 5 call out ceremonies, and 4 brotherhood ceremonies, as well as many practices in between. All ceremonies combined, there were a total of 11 Arrowmen who served as Ceremonialists. Thank you to all of the Ceremonialists, Torch Bearers, and the OA Commissioner Kara Knudson for making this possible!
